

DHATP Letter of Recommendation

[Name]

[Title]

[Organization]

[Address]

[Phone number]

RECOMMENDATION LETTER FOR: [Name of DHATP Applicant]

Position: Dental Health Aide Therapist Practitioner

To the Ilisagvik College/ANTHC Alaska Dental Therapy Education Program:

This letter of recommendation is being written at the request of [DHAT name], who is applying for the position of Dental Health Aide Therapist Practitioner (DHATP).

In my role as a DHAT supervising dentist, I have had the pleasure of working with [DHAT name] at [location] for the past [length of time] in which they demonstrated critical thinking and clinical competency.

They have worked successfully as a DHAT for the past [6 or more] years providing excellent patient care within their scope of practice, meeting clinical competencies, accumulating required CDE, working harmoniously with staff members, and promoting oral health. The following are noteworthy accomplishments for your consideration: [specific responsibilities, achievements, etc]

In my professional opinion [DHAT name] has consistently fulfilled expectations and responsibilities required of a DHAT and will continue to do so as at DHATP. I recommend extending the direct supervision requirements to every 6 years.

Sincerely,

{Signature of Supervising Dentist}
