This Privacy Policy describes how Alaska Native Tribal Health Consortium (“*ANTHC*,” “*we*,” “*our*,” or “*us*”) collects, uses, and discloses information when you use our eCHAM™ or iCHAM™ services. When connected to the host server for eCHAM, the iCHAM App will download the CHAM content to your mobile device and will provide updates to the latest CHAM content. The CHAM is protected by copyrights owned by ANTHC.

This Privacy Policy applies only to data collected via our iCHAM mobile application (“iCHAM App”). This Privacy Policy does not apply to third party products or services used in connection with the iCHAM App (“Services Providers”), which are governed by each Service Provider’s privacy policy.

This ANTHC Privacy Policy is meant to help you understand what information we collect, how we use that information, third parties with whom we may share the information, and why we collect it. If you use our iCHAM App, then you agree to the collection and use of information as set forth in this Privacy Policy. If you do not agree with this Privacy Policy, do not access or use the iCHAM App.

#### **WHAT INFORMATION DOES iCHAM COLLECT?**
