**Dental Academic Review Committee
Annual Dental Health Aide
“Shining Star” Recognition Awards**

Purpose:

1. To demonstrate appreciation of a Dental Health Aide for their contribution, dedication and sacrifice. Nominated DHAs should embody the spirit of the Dental Health Aide Program and show a positive impact through serving their patient(s), community or cause.
2. To garner statewide recognition for the work of individual DHAs and highlight the ongoing challenges and heroics of Health Aides as a novel, courageous group of health care providers.

Guidelines:

1. DHAs eligible for awards must be employed by an Alaska Tribal Health Organization past or present in good standing currently (or formerly if no longer employed).
2. Anyone within and external to the DHA program can nominate a DHA for an award.
3. Nomination forms should be forwarded to the ANTHC Department of Oral Health Promotion.
4. The Dental Academic Review Committee is responsible for the selection of the best candidate for each category from the eligible nominations submitted.
5. Awards will be presented at the Health Aide Awards Ceremony held in Anchorage on November 9, 2022. The employing Tribal Health Organization is responsible to travel the DHA to the Ceremony if they wish for the DHA to be in attendance for the award presentation.
6. If your nominee is not selected for an award, we invite you to submit your nomination in the following year. Nominees will not automatically be resubmitted for consideration.

Award Definitions

Rising Star

- A Rising Star is a DHA that has been employed less than five years who demonstrates excellence in their role as a DHA and demonstrates excellence in their role by continuously delivering exceptional patient care, has somehow improved the healthcare delivery system and enhanced the level of care in their community, and has demonstrated balance between work and personal life.

Shining Star

- A Shining Star is a DHA that has been employed for five years or more and demonstrates excellence in their role by continuously delivering exceptional patient care, has somehow improved the healthcare delivery system and enhanced the level of care in their community and has demonstrated the balance between work and personal life.

Outstanding Accomplishments (in Health Outcomes/in the Community)

- An outstanding accomplishment is an event that has made a substantial impact in the community and/or patient care. A successful candidate will have demonstrated exceptional service that has somehow impacted the health outcomes for an individual or the overall community.

In Memoriam

- This award is presented in memoriam to the DHA that has provided a vital community service.
- All nominations will be recognized.
- Please provide a biography and a photograph of the nominee (if available).
