October 30, 2023

Dear Tribal Leaders,

The CHABCB at our October meeting raised the application fee for Community Health Aides from \$500 to \$750 dollars effective for all applications received after December 1, 2023. The last time an increase was made to this application fee was 2012.

Thank you for your continued support of the Community Health Aide Program in Alaska.

Sincerely,

Ellen Hodges
Chair
